

Remote Work Resources

- Please bookmark PITT's main page for [Remote Work Resources](#)

My PITT Portal

- Login to the PITT Portal at <https://my.pitt.edu>

Office 365 Software

The **Microsoft Office 365 Suite** can be downloaded by following the "[Office 365](#)" link on the left side navigation bar.

This includes Outlook, Word, Excel, PowerPoint. Web versions are also available for those applications, including OneDrive.

Mobile App versions are also available

OneDrive and 365 Groups

If you want to synchronize **OneDrive** and **365 Groups** to your home workstation, please see the following documentation

- [OneDrive](#)
- [365 Groups](#)

Skype for Business

Skype for Business can be downloaded via the [Office 365](#) pages.

- Goto to "Install Office", "Other Install Options", "Apps and Devices"
- If your PITT phone number is Skype enabled, downloading and installing Skype for Business will allow you to receive calls to your office number, wherever you are.
- Skype for Business can also be installed on your mobile devices
- If you do not have a Skype Enabled PITT Phone number, you can forward your office phone to an alternate number

Microsoft Teams

- Teams can be downloaded via the [Office 365](#) pages.
- Select the Teams Icon

- Select Download App icon at bottom left corner

- Install software

Zoom

- <https://pitt.zoom.us/download>
- Download Client and Outlook Plugin

Software

Academic Software can be download from the [Software Download Service](#) near the bottom of the left hand navigation bar.

This would include applications like **SPSS, State, SAS, EndNote**, and others. Please insure you follow the installation instructions as many of these applications will require you to enter a license code. These codes are included on the download page per application.

LMS and Panopto Lecture Capturing

Learning Management System and Lecture Capturing Software such as

- [Courseweb](#), [Panopto](#) and [Canvas](#) are all available via my.pitt.edu
- To record a lecture, you will need to download and install Panopto.
 - [Panopto can be intergrated](#) with both LMS systems.

Cloud Services

Cloud Services like [PITT Box and OneDrive](#) can be access via My.pitt.edu

Adobe

- **Adobe Software**, like Creative Cloud, Adobe DC Pro are available from adobe.com website
Install Adobe Acrobat DC:
- Go to <https://www.adobe.com/>
- Click sign-in top right
- Put full Pitt e-mail (Then go through MFA)
- Click on the 9 squares in the top right
- Click more
- Click "View All" next to Creative Cloud Apps
- Find Acrobat DC and click download (Follow instructions)

Heath Sciences Library Services

- www.hsls.pitt.edu
- Remote Access
- Pitt's Remote Access
- This service provides access to most HSLS and other Pitt online resources

JunOs Secure Pulse (VPN)

SHRS successfully migrated all data to the Cloud Enterprise Services. **You no longer need to use VPN in order to access your files or shared storage space.** If you need to print to one of the SHRS or RICOH printers onsite, you would need to connect via VPN.

If there is specific software that is **only available from a device on campus**, please contact me directly.
