

Alyson D. Stover, MOT, JD, OTR/L, BCP

Curriculum Vitae

BIOGRAPHICAL INFORMATION

Business Address: Department of Occupational Therapy E-mail Address: adstover@pitt.edu
 School of Health & Rehabilitation Sciences
 University of Pittsburgh
 100 Technology Drive
 Office 361
 Pittsburgh, PA 15219

Business Phone: 412-383-6614 Business Fax: 412-383-6613

EDUCATION and TRAINING

UNDERGRADUATE:

1999 – 2003	University of Pittsburgh Pittsburgh, PA	BS, 2003	Rehabilitation Science
-------------	--	----------	---------------------------

GRADUATE:

2003 – 2005	School of Health and Rehabilitation Sciences University of Pittsburgh, Pittsburgh, PA	MOT, 2005	Occupational Therapy
2008 – 2011	School of Law University of Pittsburgh, Pittsburgh, PA	JD, 2011	Law
2008 – 2011	School of Law University of Pittsburgh, Pittsburgh, PA	Post-graduate Certificate, 2011	Health Law

APPOINTMENTS and POSITIONS

2005 – 2006	Occupational Therapy Services Cabarrus County Schools Concord, NC	School-based Therapist
2005 – 2008	Department of Occupational Therapy Department of Rehabilitation Carolinas Medical Center Charlotte, NC	Staff Therapist
2006 – 2007	Occupational Therapy Services Child and Family Development Charlotte, NC	Pediatric Outpatient Therapist
2008 – 2009	Department of Occupational Therapy The Children's Institute Pittsburgh, PA	Pediatric Therapist

2008 – 2011	Department of Occupational Therapy Department of Rehabilitation Children's Hospital of Pittsburgh Pittsburgh, PA	Pediatric Therapist
2011 – 2013	Occupational Therapy Services Bright Beginnings and Beyond, Inc. New Castle, PA	Pediatric Outpatient Therapist
2011 – 2013	Occupational Therapy Services Pediatric Therapy Professionals, Inc. New Castle, PA	Early Intervention Therapist
2012 – 2013	Occupational Therapy Services Bright Beginnings and Beyond, Inc. New Castle, PA	Lead Occupational Therapist
2012 – 2014	School of Business Butler County Community College New Castle, PA	Adjunct Instructor
2013 – present	Health Advocacy Services Self- employed West Middlesex, PA	Advocate
2013 – present	Occupational Therapy Services Capable Kids, LLC Hermitage, PA	Director of Clinical Services Director of Fieldwork Education
2013 – 2016	Department of Occupational Therapy University of Pittsburgh, Pittsburgh, PA	Adjunct Instructor
2016 – 2021	Department of Occupational Therapy University of Pittsburgh, Pittsburgh, PA	Assistant Professor
2019 – present	Center for Bioethics and Health Law University of Pittsburgh, Pittsburgh, PA	Affiliated Health Law Faculty Member
2021 – present	Department of Occupational Therapy University of Pittsburgh, Pittsburgh, PA	Associate Professor

CERTIFICATION AND LICENSURE

BOARD CERTIFICATION:

American Occupational Therapy Association Board Certification in Pediatrics	2017 – present
<i>* 1 out of 6 occupational therapists with this distinction in Pennsylvania</i>	

MEDICAL or OTHER PROFESSIONAL LICENSURE:

National Board for Certification in Occupational Therapy, #1077061	2005 – present
State of North Carolina Occupational Therapy License, #5929	2005 – 2008
Commonwealth of Pennsylvania Occupational Therapy License, #OC – 010666	2008 – present

SPECIALTY CERTIFICATION:

Therapeutic Listening Certification, Vital Links	2007
Interactive Metronome Certification (Clinic and Home), Interactive Metronome	2016
Mental Health First Aid USA, Adult	2019 - 2022

MEMBERSHIPS in PROFESSIONAL and SCIENTIFIC SOCIETIES

American Occupational Therapy Association, #000004368591	2013 – present
Pennsylvania Occupational Therapy Association, #29311467	2014 – present
World Federation of Occupational Therapists	2016 – present
International Lactation Consultant Association – Healthcare Member	2017 – 2018

HONORS

Patient Safety Fellowship, Jewish Healthcare Foundation	2010
Center for Computer-Assisted Legal Instruction (CALI) Excellence for the Future Award, University of Pittsburgh, School of Law	2011
Distinguished Alumni Award, University of Pittsburgh, School of Health and Rehabilitation Sciences	2015
The Top 40 Under Forty in Mercer and Lawrence County for 2017, Shenango Valley Chamber of Commerce	2017
Young Professional Leadership Award, Lawrence Mercer ATHENA International	2017
OT Award of Recognition, Pennsylvania Occupational Therapy Association	2017
Academic Educator Award, Pennsylvania Occupational Therapy Association	2019
President’s Award, Pennsylvania Occupational Therapy Association	2020

PROFESSIONAL ACTIVITIES**TEACHING: School of Health and Rehabilitation Sciences, University of Pittsburgh****Post-professional Graduate Programs****Doctor of Clinical Science in Occupational Therapy (CScD)**

1. Course Title: Advancements in Functional Assessment (OT 3000) – 4 credits
Position: Guest Lecturer
Name, Location of Institution: School of Health and Rehabilitation Sciences, University of Pittsburgh, Pittsburgh, PA
Year(s), Number of Students: Summer 2017, 2 CScD students; 2018, 5 CScD students
Contact Hours, Number of Lectures: 1.5 hours, 1 lecture
Description: This course focuses on building a concept matrix using (a) the international classification of functioning, disability and health (ICF) assessment levels (condition, impairment, activity, participation) and (b) methods of assessment (self-report, proxy report, clinical judgment, clinic performance, and home performance) to support a comprehensive assessment plan for a specific patient population. Students will also be introduced to item response theory and its utility for functional assessment.
2. Course Title: Master Practitioner Cognate Seminar 2: Evidence (OT 3500) – 3 credits
Position: Instructor
Year(s), number of students: Fall 2017, 1 CScD student
Contact hours; number of lectures: 1 hour per week; 10 lectures
Description: This seminar is designed to focus on analysis and synthesis of research evidence relevant to chosen area of clinical expertise and capstone project. Students complete a comprehensive oral examination and written paper at the completion of this course.
3. Course Title: Master Practitioner Cognate Seminar (OT 3600) – 3 credits
Position: Instructor
Year(s), number of students: Spring/Summer 2018, 1 CScD student
Contact hours; number of lectures: 1 hour per week; 8 meetings
Description: Students will collect patient assessment and intervention data for a chosen theoretical model, and compare their results to current research evidence in preparation for their capstone project.

4. Course Title: Master Practitioner Cognate and Capstone (OT 3700) – 5 credits
 Position: Instructor
 Years(s), number of students: Summer 2018, 1 CScD student
 Contact hours: number of lectures: 1-2 hours per week; 10 meetings
 Description: This course will consist of a practicum along with a capstone project that focuses on analyzing the active intervention mechanisms and assessment - intervention ---outcome linkages for a specific patient population. Students will submit their project findings for presentation at a professional forum (e.g., regional, national, or international conference), or as a continuing education module.

5. Course Title: Leading Change: Navigating Policy and Systems to Implement Evidence Based Practice (OT 3040) – 3 credits
 Position: Instructor
 Years(s), number of students: Spring 2021, 1 CScD student; Spring 2022, 8 CScD students; Spring 2023, 10 CScD students
 Contact hours: number of lectures: 1-2 hours per week; 15 meetings
 Description: This course focuses on the development and analysis of policy issues, and the engagement in advocacy to address issues affecting occupational therapy and that support health, well-being, and societal participation at the individual and/or systems levels. It addresses strategies for promoting occupational justice and empowering individuals to seek and obtain resources to fully participate in daily life occupations.

Entry Level Graduate Programs

Doctor of Occupational Therapy (OTD)

1. Course Title: Foundations of Occupation (OT 2200 & OT 2100) – 2 credits (OT 2200) & 3 credits (OT 2100)
 Position: Instructor
 Year(s), number of students: Summer 2017, 45 OTD students & 5 MOT students; Summer 2018, 54 OTD students & 1 MOT student
 Contact hours; number of lectures: 3 hours per week; 20 lectures
 Description: This course is designed to examine the history, philosophy, theory and science of the profession of occupational therapy. The focus is on the meaning of occupation and its role in health, wellness, and participation. Occupation science and occupational performance theories for practice were introduced.

2. Course Title: Therapeutic Approaches 1 (OT 2202 & OT 2100) – 2 credits
 Position: Instructor
 Year(s), number of students: Summer 2017, 45 OTD students & 5 MOT students, Summer 2018 54 OTD students & 1 MOT student
 Contact hours; number of lectures: 5 hours per week; 20 lectures with labs
 Description: This course is designed to examine how occupational therapists develop and manage their therapeutic relationships with clients using a model of intentional relationships, focusing on the use of narrative reasoning, emotional intelligence and empathy, and a client-centered collaborative approach. Formal interview techniques and casual conversation approaches used to obtain information were introduced and practiced.

3. Course Title: Clinical Conditions 1 (OT 2206, OT 2105, & OT 2104) – 3 credits
 Position: Instructor
 Year(s), number of students: Fall 2017, 45 OTD students, 5 MOT students
 Contact hours; number of lectures: 3 hours per week; 29 lectures
 Description: This course is designed to define and describe neuromuscular, orthopedic, psychiatric, and clinical medicine diagnoses that are leading causes of disability in children, adolescents, adults, and older adults. Etiology, signs and symptoms, clinical course, medical management, morbidity, and prognosis were reviewed, and the influence of pathology on occupational performance was examined.

4. Course Title: Psychosocial/Cognitive Theory and Practice (OT 2210 & OT 2107) – 3 credits
Position: Guest Lecturer
Year(s), number of students: Spring 2018, 44 OTD students, 5 MOT students; Spring 2019, 54 OTD students, 1 MOT student; Spring 2020, 52 OTD students, 4 MOT students; Spring 2021, 55 OTD students; Spring 2022, 60 OTD students, 9 MS students
Contact hours: number of lectures: 4 hours per week, 5 lectures (2018); 2 hours per lecture, 3 lectures (2019); 2 hours per lecture, 3 lectures (2020); 2 hours per lecture, 4 lectures (2021); 2 hours per lecture, 3 lectures (2022)
Description: The occupational therapy process for clients with psychosocial and/or cognitive dysfunction is studied in-depth. Theories, principles, assessments, and interventions focus on performance of activities and routines of daily living and participation in society.
5. Course Title: Clinical Conditions 2 (OT 2212 & OT 2108) – 3 credits
Position: Instructor
Year(s), number of students: Spring 2018, 44 OTD students, 5 MOT students
Contact hours; number of lectures: 3 hours per week; 28 lectures
Description: Neurologic, orthopedic, psychiatric, and medical diagnoses that are leading causes of disability in children, adolescents, adults, and older adults are defined and described. Etiology, signs and symptoms, clinical course, medical management, morbidity, and prognosis are summarized and distinguished. The influence of pathology on activities of daily living and routines, and societal participation is examined. This course builds on the information learned in Clinical Conditions 1.
6. Course Title: Clinical Conditions 2 (OT 2212 & OT 2108) – 3 credits
Position: Guest Lecturer
Year(s), number of students: Spring 2019, 54 OTD students, 1 MOT student; Spring 2020 52 OTD students, 4 MOT students
Contact hours; number of lectures: 1.5 hours per lecture, 1 lecture
Description: Neurologic, orthopedic, psychiatric, and medical diagnoses that are leading causes of disability in children, adolescents, adults, and older adults are defined and described. Etiology, signs and symptoms, clinical course, medical management, morbidity, and prognosis are summarized and distinguished. The influence of pathology on activities of daily living and routines, and societal participation is examined. This course builds on the information learned in Clinical Conditions 1.
7. Course Title: Occupational Therapy and the Health System (OT 2213) – 2 credits
Position: Instructor
Year(s), number of students: Spring 2018, 44 OTD, 5 MOT students; Spring 2019 54 OTD students, 1 MOT student, 5 MS students; Spring 2020, 52 OTD students, 4 MOT students, 5 MS students; Spring 2021, 56 OTD students, 8 MS students; Spring 2022, 60 OTD students, 9 MS students; Spring 2023, 56 OTD students, 18 MS students
Contact hours, number of lectures: 2 hours per week; 15 lectures
Description: This course examines health care trends, reimbursement regulations, legislative policies, and current issues affecting occupational therapy. Strategies for maintaining continued competence and supervisory roles are interpreted and applied to practice.
8. Course Title: Project Development 1 (OT 2225) – 3 credits
Position: Instructor
Year(s), number of students: Fall 2019, 53 OTD students; Fall 2020, 51 OTD students; Fall 2021, 55 OTD students; Fall 2022, 60 OTD students
Contact hours, number of lectures: 3 hours per week; 15 lectures
Description: The content of this course focuses on the development of the skills needed to plan, implement and evaluate a project that addresses an important question related to professional practice. In collaboration with and mentorship by faculty and content experts, students design and present a synopsis of a proposal for a capstone project.

9. Course Title: Advanced Concepts in Health Policy and Advocacy (OT 3204) – 3 credits
 Position: Instructor
 Year(s), number of students: Fall 2019, 44 OTD students; Fall 2020, 53 OTD students; Fall 2021, 51 OTD students; Fall 2022, 54 OTD students
 Contact hours, number of lectures: 3 hours per week; 15 lectures
 Description: This course focuses on the development and analysis of policy issues, and the engagement in advocacy to address issues affecting occupational therapy and that support health, well-being, and societal participation at the individual and/or systems levels. Addresses strategies for promoting occupational justice and empowering individuals to seek and obtain resources to fully participate in daily life occupations.
10. Course Title: Experiential Preceptorship (OT 3208) – 12 credits
 Position: Peer Network Mentor
 Year(s), number of students: Spring 2020, 4 OTD students; Spring 2021, 10 OTD students
 Contact hours, number of lectures: Varies
 Description: This course offers an in–depth learning experience in clinical practice, research, administration, leadership, program and policy development, advocacy, or education. The learning experience occurs at an approved clinical education site that offers the opportunity to develop advanced skills that are beyond the professional responsibilities of an entry-level occupational therapist. Includes collaboration and mentorship with site and faculty experts.
11. Course Title: Professional Development Seminar (OT 3209) – 2 credits
 Position: Co-Instructor
 Year(s), number of students: Spring 2020, 44 OTD students; Spring 2021, 53 OTD students; Spring 2022, 51 OTD students
 Contact hours, number of lectures: 4 hours per meeting, 10 classes
 Description: This course addresses professional issues and the professional development of the occupational therapist related to collaborative practice, ethics, professional entry requirements and responsibilities, and professional sustainability. Includes dissemination of capstone project.

Master of Occupational Therapy (MOT)

1. Course Title: Occupational Therapy and the Healthcare System (OT 2111) – 2 credits Position: Instructor
 Year(s), number of students: Spring 2014, 50 MOT students, 2 MS students; Spring 2015, 50 MOT students, 10 MS students; Spring 2016, 52 MOT students, 5 MS students; Spring 2017, 50 MOT students
 Contact hours; number of lectures: 2 hours per week; 14 lectures
 Description: This course is designed to examine the impact legislative and regulatory processes have on the OT as a practitioner, manager, and contributor. The course focuses on healthcare trends, reimbursement regulations, legislative policies, practice environments, strategies for maintaining continued competence, and emerging professional issues.
2. Course Title: Group Theory and Practice (OT 2102) – 2 credits Position: Instructor
 Year(s), number of students: Fall 2016, 50 MOT students;
 Contact hours; number of lectures: 7 hours per week; 16 lectures / 40 labs
 Description: This course provides the students with a foundation in group design, development, leadership and process. Students apply content from this course in designing and implementing group activities with clients. Emphasis is placed on enhancing communication and leadership skills, and clinical reasoning abilities.

3. Course Title: Clinical Medicine (OT 2105) – 2 credits
Position: Instructor
Year(s), number of students: Fall 2016, 51 MOT students
Contact hours; number of lectures: 2 hours; 13 lectures
Description: This course introduces and explores the mechanisms and consequences of disease or injury on the internal systems of the body. Emphasis is on the impairments related to clinical diagnoses and relation to the International Classification of Functioning, Disability, and Health (ICF) levels of body structures and body functions.

Undergraduate Program

Bachelor of Rehabilitation Science (BS)

1. Course Title: Introduction to Occupation Science (HRS 1275) – 3 credits
Position: Instructor
Year(s), number of students: Spring 2014, 38 BS students; Spring 2015, 33 BS students; Spring 2016, 41 BS students; Spring 2017, 34 BS students
Contact hours; number of lectures: 3 hours per week; 11 lectures/1 lab
Description: This class provides students with a broad understanding of "occupation" and its impact on human behavior throughout the lifespan. "Occupation" is reviewed and defined in terms of developmental, physical and psychosocial aspects. External factors such as the physical and social environment and culture are examined to appreciate their effect on one's ability to engage in occupation. The consequences of the absence of occupation on humans is also explored.
2. Course Title: Field Experience (REHSCI 1295) – credits vary from 1 – 3
Position: Instructor/Faculty Advisor
Year(s), number of students: Fall 2016, 2 BS students; Spring 2017, 2 BS students; Fall 2017, BS student; Spring 2018, 1 BS student; Spring 2020, 2 BS students
Contact hours; number of lectures: Varies dependent on credit assignment
Description: This course provides an opportunity to interact with assistive technologies, persons who use assistive technologies and with assistive technology researchers and providers.
3. Course Title: Survey of Health Professions (HRS 1018)
Position: Guest Lecturer
Name, Location of Institution: School of Health and Rehabilitation Sciences, University of Pittsburgh, Pittsburgh, PA
Year(s), Number of Students: Spring 2017, 25 BS students; Fall 2017, 20 Bachelor of Science students, Spring 2018, 18 BS students; Fall 2018, 29 BS students; Fall 2019, 28 BS students; Spring 2020, 11 BS students; Fall 2020, 14 BS students
Contact Hours, Number of Lectures: 1 hour, 1 lecture
Description: Course will employ an interdisciplinary faculty team to introduce students to health science professions in physical therapy, athletic training, occupational therapy, speech language pathology and audiology, rehabilitation counseling, health information management, rehabilitation technology, emergency medicine and disability studies.

4. Course Title: Introduction to Rehabilitation Science (REHSCI 1225)
Position: Guest Lecturer
Name, Location of Institution: School of Health and Rehabilitation Sciences, University of Pittsburgh, Pittsburgh, PA
Year(s), Number of Students: Fall 2017, 82 BS students; Fall 2018, 80 BS students; Fall 2019, 84 students; Fall 2020, 82 BS students
Contact Hours, Number of Lectures: 1 hour, 1 lecture
Description: This course will introduce students to the criteria on which they will be judged in the graduate school application process and topics related to professionalism. Various researchers and clinicians from within the University of Pittsburgh and the University of Pittsburgh Medical Center will be invited to share their research studies and/or clinical experiences and perspectives.

TEACHING: Butler County Community College

Allied Health Program

1. Course Title: Study of Disease Processes (AHEA 220) – 3 credits
Position: Instructor
Year(s), number of students: Fall 2012, 9 students
Contact hours; number of lectures: 3 hours per week; 22 lectures
Description: This course was designed to introduce students to pathology and the study of disease. Focus was on organ system pathophysiology, a review of anatomy and physiology, examination of the etiology, clinical features, and treatment of major diseases affecting each system.
2. Course Title: Medical Law and Ethics (AHEA 110) – 3 credits
Position: Instructor
Year(s), number of students: Spring 2013, 8 students; Fall 2013, 11 students
Contact hours; number of lectures: 3 hours per week; 19 lectures
Description: The course provided an introduction to the fundamentals of medical ethics and law. Students gained knowledge of law, medical ethics, and bioethics as they impact current health care practices. Special emphasis was placed on documentation; types of consent; standard of care; physician-patient relationship; licensure and accreditation; and professional liability and malpractice.
3. Course Title: Medical Terminology (AHEA 280) – 3 credits
Position: Instructor
Year(s), number of students: Spring 2013, 21 students; Fall 2013, 21 students
Contact hours; number of lectures: 3 hours per week; 23 lectures
Description: This course introduced the formation and usage of general medical terminology as it relates to the major body systems. Content included describing and identifying basic medical terms; build medical terms from word parts; use medical terms within an appropriate context; and accurately pronounce and spell words used in the medical language system.

TEACHING: Service on Doctoral Committee

1. Role: Committee member
Student: Nicole Habovick
Degree: CScD, post professional
Institution, School, and Department: University of Pittsburgh, School of Health and Rehabilitation Sciences, Department of Occupational Therapy
Date of Graduation: July 2017
Capstone title: Development and Feasibility of the Infant-driven Feeding Protocol in the Neonatal Intensive Care Unit: A Quality Improvement Project

2. Role: Chair
Student: Diana Goodman
Degree: CScD, post-professional
Institution, School, and Department: University of Pittsburgh, School of Health and Rehabilitation Sciences, Department of Occupational Therapy
Date of Graduation: July 2018
Capstone title: *EmployABLE: A Transition Program to Improve Employment Outcomes for Students with Disabilities*
3. Role: Chair
Student: Kelsey Voltz
Degree: CScD, post-professional
Institution, School, and Department: University of Pittsburgh, School of Health and Rehabilitation Sciences, Department of Occupational Therapy
Date of Graduation: July 2019
Capstone title: *The Feasibility and Acceptability of a Community and Occupation-Based Day Program for Adults with Intellectual and Developmental Disabilities (I/DD): The B.E.E. Program*
4. Role: Committee member
Student: Shelby Scott
Degree: CScD, post-professional
Institution, School, and Department: University of Pittsburgh, School of Health and Rehabilitation Sciences, Department of Occupational Therapy
Date of Graduation: July 2019
Capstone title: *Program Modification and Staff Preparation to Implement the Empower Program™ in a Level IV Neonatal Intensive Care Unit*
5. Role: Faculty Mentor
Student Peer Network: Max Carlson, Haley Feller, Claire McCarthy, & Natalie Wise
Degree: OTD, entry level doctorate
Institution, School, and Department: University of Pittsburgh, School of Health and Rehabilitation Sciences, Department of Occupational Therapy
Date of Graduation: April 2020
Capstone title: *Positive Opportunities for Positive Engagement: A Non-Pharmacological Chronic Pain Management Program for People Living with HIV/AIDS*
6. Role: Committee member
Student: Yeook Kim
Degree: CScD, post-professional
Institution, School, and Department: University of Pittsburgh, School of Health and Rehabilitation Sciences, Department of Occupational Therapy
Date of Graduation: July 2020
Capstone Site: Allegheny Health Network, Positive Health Clinic
Capstone title: *Development of a Feeding Assessment Toolkit for a Children's Hospital Occupational Therapy Department: A Quality Improvement Project*

7. Role: Faculty Mentor
Student Peer Network: Meredith Buckbee, Claire Colwell, Victoria Merritt, Nicole Rosenbaum, & Taylor Wellman
Degree: OTD, entry level doctorate
Institution, School, and Department: University of Pittsburgh, School of Health and Rehabilitation Sciences, Department of Occupational Therapy
Date of Graduation: Anticipated April 2021
Capstone Site: Western Psychiatric Hospital, Center for Autism and Developmental Delays
Capstone title: Improving Participation Through the Use of Activities in Outpatient Mental Health Group Therapy
8. Role: Faculty Mentor
Student Peer Network: Jason Amado, Katie Grunewald, Emily Krut, Sara Lessem, & Elissa Lichtman
Degree: OTD, entry level doctorate
Institution, School, and Department: University of Pittsburgh, School of Health and Rehabilitation Sciences, Department of Occupational Therapy
Date of Graduation: Anticipated April 2021
Capstone Site: Allegheny County Department of Human Services (Office of Community Services)
Capstone title: Development of the Pittsburgh Employment Readiness Screen (PERS): A Stages of Change Approach to Address Unemployment in the Homeless Population
9. Role: Chair
Student: Hillary Branum-Tamski
Degree: CScD, post-professional
Institution, School, and Department: University of Pittsburgh, School of Health and Rehabilitation Sciences, Department of Occupational Therapy
Date of Graduation: TBD
Capstone title: TBD
10. Role: Chair
Student: Andrianna Cary
Degree: CScD, post-professional
Institution, School, and Department: University of Pittsburgh, School of Health and Rehabilitation Sciences, Department of Occupational Therapy
Date of Graduation: TBD
Capstone title: TBD
11. Role: Chair
Student: Ieecha Harvey
Degree: CScD, post-professional
Institution, School, and Department: University of Pittsburgh, School of Health and Rehabilitation Sciences, Department of Occupational Therapy
Date of Graduation: TBD
Capstone title: TBD

TEACHING: Service on Thesis Committee

1. Role: Committee member
Student: Raechel Heil
Degree: Bachelor of Philosophy (B Phil)
Institution, School, and Department: University of Pittsburgh, School of Health and Rehabilitation Sciences, University Honors College
Date of Graduation: December 2017
Undergraduate thesis title: Social and Familial History of Down Syndrome in the U.S. with Current Perspectives

TEACHING: Mentoring and Advising**Academic Advising*****Faculty Mentor, Bachelor of Science, Rehabilitation Science***
