

CURRICULUM VITAE

Date revised: 8/10/20

BIOGRAPHICAL

Name: Eric Christopher Meyer, Ph.D.

Business Address: 2201 MacArthur Drive, Waco, TX 76708

E-Mail Address: Eric.Meyer@bswhealth.org

Business Phone: (254) 730-2683

Business Address 2: 4800 Memorial Drive, Waco, TX 76711

E-Mail Address 2: Eric.Meyer2@va.gov

Business Phone 2: (254) 297-5166

EDUCATION and TRAINING

UNDERGRADUATE

1993-1997 Villanova University B.A., 1997, Psychology
Villanova, PA

GRADUATE

1999-2003 Binghamton University (SUNY) M.A., 2003, Clinical Psychology
Binghamton, NY

2003-2005 Binghamton University (SUNY) Ph.D., 2005, Clinical Psychology
Binghamton, NY
Accredited, American Psychological Association
Member, Academy of Psychological Clinical Science

POST-GRADUATE

2004-2005 The Boston Consortium Internship, 2005, Clinical Psychology
Boston, MA
Accredited, American Psychological Association
Member, Academy of Psychological Clinical Science

2005-2007 Harvard Medical School Department of Psychiatry Post-Doc, Clinical Psychology
Boston, MA Mentor: Larry J. Seidman, Ph.D.

APPOINTMENTS and POSITIONS

ACADEMIC

1999-2004	Department of Psychology Binghamton University (SUNY), Binghamton, NY	Graduate Teaching Assistant (4 courses)
2004-2005	Department of Psychiatry Boston University School of Medicine, Boston, MA	Teaching Fellow
2005-2007	Department of Psychiatry Harvard Medical School, Boston, MA	Teaching Fellow
2009-2016	Department of Psychiatry and Behavioral Science Texas A&M University Health Science Center, College of Medicine, College Station, TX	Assistant Professor
2016-Present	Department of Psychiatry and Behavioral Science Texas A&M University Health Science Center, College of Medicine, College Station, TX	Associate Professor
2018-Present	Department of Psychology and Neuroscience Baylor University, Waco, TX	Associate Research Professor
2018-Present	Baylor Collaborative on Hunger and Poverty Baylor University, Waco, TX	Research Fellow

NON-ACADEMIC

1998-1999	Psychopharmacology Research Department Albert Einstein Healthcare Network, Philadelphia, PA	Clinical Trials Coordinator and Clinical Assessor
2007-2009	Central Texas Veterans Healthcare System Temple, TX	Joint Appointment as Clinical and Research Psychologist
2009	Central Texas Veterans Healthcare System Temple, TX	Team Leader, PTSD Clinic (Acting)
2009-Present	VA VISN 17 Center of Excellence for Research on Returning War Veterans at Central Texas Veterans Healthcare System, Waco, TX	Clinical Research Psychologist
2011-2017	Private practice in clinical psychology Waco, TX	Licensed Clinical Psychologist
2019	VA VISN 17 Center of Excellence for Research on Returning War Veterans at Central Texas Veterans Healthcare System, Waco, TX	Behavioral Science Core Chief (Acting)

2017-Present Warriors Research Institute Associate Director
Baylor Scott & White Health, Waco, TX

LICENSURE

2009-Present Licensed Psychologist (Texas License 34351)
2015 Certification in Acceptance and Commitment Therapy, National VA training program
in evidence-based treatments

MEMBERSHIPS in PROFESSIONAL and SCIENTIFIC SOCIETIES

1999-Present Association for Behavioral and Cognitive Therapies
2003-2010 Society for Research in Psychopathology
2008-Present International Society for Traumatic Stress Studies
2012-Present Association for Contextual Behavioral Science

HONORS

1997 *Magna Cum Laude*; Villanova University
1999-2005 Full Tuition Scholarship, Clinical psychology doctoral training program,
Binghamton University (SUNY)
2007-Present Numerous Outstanding VA Performance Awards
2011 Fellow, NIH Office of Behavioral and Social Sciences Research Institute on
Randomized Clinical Trials Involving Behavioral Interventions
2011 New Investigator Award, VA Veterans Integrated Service Network 17
2013 Featured Member, Association for Contextual Behavioral Science, Texas Chapter
2016 Nominated for the award for excellence in research on military and veteran families
by the Military Family Research Institute at Purdue University

(Chairs) Recent advances in understanding the broad impact of critical warzone experiences on returning Iraq and Afghanistan veterans' psychological health. Symposium presented at the annual meeting of the Association for Psychological Science, New York.
32. Kimbrel, N. A., DeBeer, B. B., **Meyer, E.C.**, Evans, L.D., Patel, A.B., Gulliver, S.B., & Morissette, S.B. (2015, May). Development and evaluation of a new measure of critical warzone experiences for returning Iraq and Afghanistan veterans. In Wilson, L.C. & Kimbrel, N.A. (Chairs) Recent advances in understanding the broad impact of critical warzone experiences on returning Iraq and Afghanistan veterans' psychological health. Symposium presented at the annual meeting of the Association for Psychological Science, New York.
 33. Mitchell, J.T., DeBeer, B.B., Wilson, L.C., **Meyer, E.C.**, Morissette, S.B., & Kimbrel, N. A. (2015, May). Critical warzone experiences, dysfunctional emotional regulation, and externalizing problems. In Wilson, L.C. & Kimbrel, N.A. (Chairs) Recent advances in understanding the broad impact of critical warzone experiences on returning Iraq and Afghanistan veterans' psychological health. Symposium presented at the annual meeting of the Association for Psychological Science, New York.
 34. Wilson, L.C., Simmons, B.L., Leheney, E.K., Ballman, A.D., **Meyer, E.C.**, DeBeer, B.B., Morissette, S.B., & Kimbrel, N. A. (2015, May). The combined impact of critical warzone experiences and military sexual trauma on male Iraq/Afghanistan veterans' post-deployment functioning. In Wilson, L.C. & Kimbrel, N.A. (Chairs) Recent advances in understanding the broad impact of critical warzone experiences on returning Iraq and Afghanistan veterans' psychological health. Symposium presented at the annual meeting of the Association for Psychological Science, New York.
 35. DeBeer, B.B., *Kittel, J.A., Cook, A., Davidson, D., Kimbrel, N. A., **Meyer, E. C.**, Gulliver, S. B. & Morissette, S. (April 2015). New avenues for suicide prevention in trauma exposed veterans: The role of health-promoting behaviors. Paper presented at the annual meeting of the American Association for Suicidology (AAS), Atlanta, GA.
 36. Elliott, T. R., Hsiao, Y., Kimbrel, N. A., **Meyer, E.C.**, DeBeer, B. B., Gulliver, S. B., Kwok, O. & Morissette, S. B. (2015, April). Resilience, Depression and Posttraumatic Stress among Iraq/Afghanistan War Veterans. In S. Krill Williston (Chair) Translating Research Findings to the Clinic and Community: An Examination of Risk and Protective factors of Quality of Life and Functioning among Recent Veterans in Diverse Contexts. Symposium presented at the annual meeting of the Anxiety and Depression Association of America, Miami, FL.
 37. Kimbrel, N.A., Morissette, S.B., **Meyer, E.C.**, DeBeer, B.B., Gulliver, S.B., Marx, B.P., Schumm, J., & Penk, W.E. (2014, November). Predictors of Functional Impairment among Returning Iraq/Afghanistan Veterans. Presented at symposium titled "PTSD, Depression and Functional Outcomes among Military Personnel, Veterans, and their Family Members" (Chair: S. Morissette), 30th annual meeting of the International Society for Traumatic Stress Studies, Miami, FL.
 38. Morissette, S. B., DeBeer, B. B., **Meyer, E. C.**, Kimbrel, N. A. & Gulliver, S. B. (2014, August). Relationships Among Deployment Preparation, PTSD and Family Functioning in OEF/OIF Veterans. In S. Riggs (Chair) Military Veteran Couples and Families: Theory, Research and Practice. Symposium presented at the annual meeting of the American Psychological Association, Washington, DC.
 39. Morissette, S. B., **Meyer, E. C.**, DeBeer, B. B., Kimbrel, N. A., & Gulliver, S. B. (2014, August). The Effects of PTSD and TBI on Educational Functioning in Student Veterans. In W. Penk and D. Little (Chairs) Psychosocial Services for Student Veterans. Symposium presented at the annual meeting of the American Psychological Association, Washington, DC.

40. Morissette, S. B., DeBeer, B. B., **Meyer, E. C.**, Kimbrel, N., & Gulliver, S. B. (2014, March). Longer time between warzone deployments predicts fewer long-term PTSD symptoms and better work functioning. Paper presented at the annual meeting of the Anxiety and Depression Association of America. Chicago, IL.
41. **Meyer, E.C.** & Walser, R.D. (2013, November). Acceptance and Commitment Therapy (ACT) for PTSD: Treatment overview. Presented at symposium titled "Acceptance and Commitment Therapy (ACT) for PTSD: Treatment development and preliminary outcomes" (Chair: **E.C. Meyer**). Symposium presented at the 29th annual meeting of the International Society for Traumatic Stress Studies, Philadelphia, PA.
42. Hermann, B. A., **Meyer, E. C.**, Schnurr, P. P., Batten, S., & Walser, R. (2013, November). Acceptance and Commitment Therapy for co-occurring PTSD/SUD: Manual development and pilot outcomes. Presented at symposium titled "Acceptance and Commitment Therapy (ACT) for PTSD: Treatment development and preliminary outcomes" (Chair: **E.C. Meyer**). Symposium presented at the 29th annual meeting of the International Society for Traumatic Stress Studies, Philadelphia, PA.
43. *Motraghi, T.E., Seim, R.W., **Meyer, E.C.**, & Morissette, S.B. (2013, September). Virtual reality exposure therapy for the treatment of PTSD: A methodological review of studies. Paper presented to the Royal Australian and New Zealand College of Psychiatrists, Auckland, New Zealand.
44. DeBeer, B. B., Kimbrel, N. A., **Meyer, E. C.**, Gulliver, S. B., & Morissette, S. B. (2013, April). PTSD and Depressive Symptoms Interact with Social Support to Predict Suicidal Ideation in Operation Iraqi Freedom and Operation Enduring Freedom (OIF/OEF) Veterans. Presented at invited symposium titled "The influence of PTSD and complicating factors on functional recovery in returning military Veterans" (Chair: S.B. Morissette), 33rd annual meeting of the Anxiety and Depression Association of America, La Jolla, CA.
45. Kimbrel, N. A., *Chrestman, R., **Meyer, E. C.**, Young, K. A., & Morissette, S. B. (2013, April). The Serotonin Transporter Polymorphism, Social Support, and Chronic PTSD: A Growth Mixture Modeling Approach to Testing for GxE Effects. Presented at invited symposium titled "The influence of PTSD and complicating factors on functional recovery in returning military Veterans" (Chair: S.B. Morissette), 33rd annual meeting of the Anxiety and Depression Association of America, La Jolla, CA.
46. Hermann, B., **Meyer, E.C.**, Schnurr, P., Batten, S., *Seim, R., Walser, R., Klocek, J., Gulliver, S.B. (2012, November). Acceptance and Commitment Therapy for Comorbid PTSD/SUD. Presented at symposium titled "Mindfulness-based interventions for anxiety disorders" (Chair: B. Niles). 28th annual meeting of the International Society for Traumatic Stress Studies, Los Angeles, CA.
47. Seidman, L.J., Cornblatt, B., **Meyer, E.C.**, Carrion, R., Addington, J., Cadenhead, K., Cannon, T., Mathalon, D., McGlashan, T., Perkins, D., Tsuang, M., Walker, E., Wood, S. NAPLS Consortium (2012, October). What do we know about neurocognitive impairments during the prodrome to psychosis and their relationship to social functioning? Paper presented at the 8th annual International Early Psychosis Association, San Francisco, CA.
48. **Meyer, E.C.**, Morissette, S.B., Kimbrel, N.A. Kruse, M.I., Gulliver, S.B., Marx, B., Schumm, J., Penk, W.E. (2012, July) The influence of PTSD symptom clusters, TBI, chronic pain, and alcohol abuse on multiple domains of functioning in trauma-exposed OEF/OIF Veterans. Paper presented at the HSR&D/QUERI National Conference, Washington, DC.
49. **Dahm, K., Neff, K., **Meyer, E.C.**, Morissette, S.B., Gulliver, S.B. (2012, April). Self-compassion and mindfulness in trauma-exposed OEF/OIF Veterans. Presented at symposium titled

- “Self-compassion and the anxiety disorders: New research and clinical applications” (Chair: L. Roemer). 32nd annual meeting of the Anxiety Disorders Association of America, Arlington, VA.
50. Kimbrel, N.A., Morissette, S.B., Klocek, J.W., **Meyer, E.C.**, Kruse, M.I., & Gulliver, S.B. (2011, November). The impact of anger, shame, and peritraumatic dissociation on military-related PTSD. Presented at symposium titled “Beyond fear: Understanding negative emotion in the psychopathology and treatment of PTSD” (Chair: J.G. Beck), 45th annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, ON.
 51. Seidman, L.J., Woodberry, K., **Meyer, Eric, C.**, Giuliano, A.J., Addington, J., Cadenhead, K.S., Cannon, T.D., McGlashan, T.H., Perkins, D.O., Tsuang, M.T., Walker, E.F., Woods, S.W., Heinsen, R., & Cornblatt, B.A. (2011, April). The meaning and utility of neuropsychological measures in the prodrome to psychosis: Group data and classification of individuals from the North American Prodromal Longitudinal Studies Phase 1. Paper presented to the International Prodromal Research Network, Colorado.
 52. Gulliver, S.B., **Meyer, E.C.**, Zimering, R., Daly, E., Kamholz, B., & Knight, J. (2011, March). Predictors of psychological symptoms among experienced professional firefighters. Presented at invited symposium titled “The psychological hazards of high-risk occupations: Which soldiers and firefighters are at risk for PTSD and its associated problems?” (Chair: S.B. Morissette), 31st annual meeting of the Anxiety Disorders Association of America, New Orleans, LA.
 53. Kimbrel, N.A., **Meyer, E.C.**, Kruse, M., Gulliver, S., & Morissette, S.B. (2011, March). Psychopathology-Based Subtypes of Military Veterans: Understanding Factors Associated with Risk & Resilience. Presented at invited symposium titled “The psychological hazards of high-risk occupations: Which soldiers and firefighters are at risk for PTSD and its associated problems?” (Chair: S.B. Morissette), 31st annual meeting of the Anxiety Disorders Association of America, New Orleans, LA.
 54. Seidman, L.J., Woodberry, K., Giuliano, A.J., **Meyer, Eric, C.**, Addington, J., Cadenhead, K.S., Cannon, T.D., McGlashan, T.H., Perkins, D.O., Tsuang, M.T., Walker, E.F., Woods, S.W., Heinsen, R., & Cornblatt, B.A. (2010, November). Methods and results from an individual classification approach to neuropsychological data in clinical high risk individuals in the NAPLS Consortium. Paper presented at the 7th International Early Psychosis Association Conference, Amsterdam.
 55. Barnes, S., Lynn, S.J., **Meyer, E.C.**, Fassler, O., and Knox, J. (2007, January). The Determinants of Hypnotic and Nonhypnotic Suggestibility. Presented at the joint meeting of the Society for Clinical and Experimental Hypnosis and American Society of Clinical Hypnosis, Dallas, TX.
 56. **Meyer, Eric, C.**, & Lynn, S.J. (2002, November). The influence of performance standards and expectancies on hypnotic and nonhypnotic suggestibility. Paper presented at the 53rd annual meeting of the Society for Clinical and Experimental Hypnosis, Boston, MA.
 57. **Meyer, Eric, C.**, & Lynn, S.J. (2002, November). Hypnosis versus relaxation training: Experiences and sequelae. Paper presented at the 53rd annual meeting of the Society for Clinical and Experimental Hypnosis, Boston, MA.
 58. **Meyer, E.C.**, MacKillop, J., & Lynn, S.J. (2001, November). The impact of stage hypnosis on participants and audience members. Paper presented at the 52nd annual meeting of the Society for Clinical and Experimental Hypnosis, San Antonio, TX.

PUBLISHED ABSTRACTS and POSTER PRESENTATIONS

** Indicates primary mentorship of student/trainee as first author; * Student/trainee co-author

59. *Cardenas, M., Pennington, M., Dupree, J., Strack, J., Zimering, R., **Meyer, E.C.**, & Gulliver, S.B. (2020, May). Financial Strain and Psychological Wellbeing Among Professional Firefighters. Poster to be presented at the 32nd annual convention of the Association for Psychological Science [Conference Workshop], Chicago, IL.
60. *Dupree, J., Pennington, M., Strack, J., Cardenas, M., Zimering, R., Morissette, S., **Meyer, E.C.**, & Gulliver, S. B. (2020, May). Discrimination and PTSD Symptoms Over Time Among Firefighter Recruits. Poster presented at the 32nd annual convention of the Association for Psychological Sciences [Conference Workshop], Chicago, IL.
61. *Strack, J., Torres, V., Pennington, M., Dupree, J., Cardenas, M., Gomez, D., Dolan, S., Kimbrel, N., **Meyer, E.C.**, & Gulliver, S. B. (2020, May). PTSD and Depression Symptoms in Firefighters with Line-of-Duty Head Injuries. Poster presented at the 32nd annual convention of the Association for Psychological Sciences [Conference Workshop], Chicago, IL.
62. *Cardenas, M., Rostockyj, J., Pennington, M., Coe, E., Strack, J., Dupree, J., **Meyer, E.C.**, & Gulliver, S.B. (2020, October). Expanding Access to Evidence-Based Mental Health Care for Texas Veterans: Developing Strong Therapeutic Alliances via Telehealth. Poster to be presented at the annual Military Social Work & Behavioral Health Conference, Austin, TX.
63. *Pennington, M. L., Dupree, J., Coe, E., Kimbrel, N. A., Ostiguy, W., **Meyer, E.C.**, & Gulliver, S. B. (2019, November). Firefighter attitudes and burnout related to service to opioid overdose response in Vancouver, BC. Poster presented at the 13th International Conference on Occupational Stress and Health, Philadelphia, PA.
64. **Frankfurt, S., DeBeer, B., Morissette, S., Kimbrel, N., & **Meyer, E.C.** (2019, November). A Test of the Incremental Explanatory Power of Moral Injury to Account for Impulsivity in U.S. Post-9/11 Veterans. Poster presented at the annual meeting of the International Society of Traumatic Stress Studies, Boston, MA.

PROFESSIONAL ACTIVITIES

TEACHING

HOSPITAL TEACHING:

- 2010-Present **Lecture series in empirically supported psychosocial treatments.** Delivered lectures and led follow-up journal club discussions for the Clinical Psychology Predoctoral Internship Training Program at the Central Texas Veterans Healthcare System. Topics: Cognitive Processing Therapy, Acceptance and Commitment Therapy
- 2014-2015 **Acceptance and Commitment Therapy.** Training Consultant (competitively selected) for VA Central Office Training Program in Evidence Based Psychosocial Treatments. Led weekly, 6-month, intensive case consultation group with 4 licensed VA mental health clinicians from around the country. Rated and certified clinicians.
- 2016-Present **Acceptance and Commitment Therapy.** Regional Trainer (competitively selected) for VA Central Office Training Program in Evidence Based Psychosocial Treatments. Planned and delivered 3-day in-person experiential training workshops for groups of 8-20 licensed mental health clinicians earning 20 continuing education credits.
- 2017-2018 **Acceptance and Commitment Therapy.** Led of weekly clinical consultation group for psychiatrists, psychiatry residents, and psychologists at Baylor Scott & White Health.
- 2018-2019 **Acceptance and Commitment Therapy.** Developed a train-the-trainer program at Baylor Scott & White Health. Identified, trained, and mentored the first trainer. Co-developed training materials for use by the trainer.

UNIVERSITY TEACHING

- 1999 Graduate Teaching Assistant, General Psychology, Binghamton University (SUNY), Binghamton, NY. Delivered a lecture, co-developed, administered and graded exams for this large course (approx. 200 students).
- 2000 Graduate Teaching Assistant, Personality Theory, Binghamton University (SUNY), Binghamton, NY. Delivered a lecture, co-developed, administered and graded exams for this large course (approx. 200 students).
- 2001 Guest Lecturer, Drugs and Behavior, Binghamton University (SUNY), Binghamton, NY. Topic: Psychopharmacology for psychotic disorders. (approx. 20 students)
- 2001 Instructor of Record, Abnormal Psychology, Binghamton University (SUNY), Binghamton, NY. Responsible for defining and delivering all course content and evaluating students' work. Undergraduate course (3 credits; approx. 20 students).
- 2002 Graduate Teaching Assistant, Psychotherapy: Models and Methods, Binghamton

- University (SUNY), Binghamton, NY. Delivered a lecture, co-developed, administered and graded exams for this large course (approx. 200 students).
- 2002 Instructor of Record, Psychotherapy: Models and Methods, Binghamton University (SUNY), Binghamton, NY. Responsible for defining and delivering all course content and evaluating students' work. Undergraduate course (3 credits; approx. 12 students).
- 2004 Graduate Teaching Assistant, Research Methods, Binghamton University (SUNY), Binghamton, NY. Delivered a lecture, administered and graded exams for this large course (approx. 200 students), led weekly small group discussions (approx. 20 students)
- 2013-Present Undergraduate Research Training Elective, Baylor University, Waco, TX. Annually lead research training for cohorts of 3-12 students as Principal Investigator and deliver didactic lectures to groups of 12-20 students through the VA Center of Excellence Research Program for this for-credit course
- 2018 Guest Lecturer, Leadership and Administration in Public Health, Masters of Public Health program, Baylor University, Waco, TX. Topic: Grant writing in healthcare settings.
- 2018 Guest Lecturer, Case conceptualization course for graduate students in the Clinical Rehabilitation and Mental Health Counseling Program, School of Health and Rehabilitation Sciences, University of Pittsburgh, Pittsburgh, PA. Topic: Behavioral case conceptualization from a contextual behavioral science perspective.

CLINICAL WORKSHOPS

** Indicates primary mentorship of student/trainee as lead presenter

1. Meyer, E.C. (2018, January). Acceptance and Commitment Therapy for Depression. Three-day workshop presented at the Central Texas Veterans Healthcare System, Temple, TX. 12 attendees, 9 of whom were licensed clinicians selected to participate in national VA training program and 3 postdoctoral fellows. 20 CMEs/CEUs provided.
2. Meyer, E.C. (2017, August). Acceptance and Commitment Therapy: Experiential workshop for clinicians. Two-day clinical workshop presented at the University of Texas-San Antonio Counseling Center, San Antonio, TX. 15 attendees. 12 CMEs/CEUs provided.
3. Meyer, E.C. (2017, August). An introduction to Acceptance and Commitment Therapy. 1.5 day clinical workshop presented at the Baylor Scott & White Mental Health Center, Temple, TX. 20 attendees. 9 CMEs/CEUs provided.
4. Walser, R.D. & Meyer, E.C. (2015, November). Acceptance and Commitment Therapy for Trauma: Finding life beyond pain. Live clinical demonstration as part of a master clinician workshop (R.D. Walser) presented at the 31st annual meeting of the International Society for Traumatic Stress Studies, New Orleans, LA.
5. Walser, R.D. & Meyer, E.C. (2014, July). Acceptance and Commitment Therapy for Depression (ACT-D). Three-Day workshop for ACT-D trainees (licensed VA clinicians). Dr. Walser was the lead presenter. I led several breakout sessions. Orlando, FL.
6. **Sackett, N., Subica, A., Horton, S., Gray-Schmiedlin, I., & Meyer, E.C. (2012, May). Making connections: Increasing the incorporation of psychosocial rehabilitation principles in community

outings. Peer-reviewed workshop presented at the 37th annual U.S. Psychiatric Rehabilitation Association conference, Minneapolis, MN.

DOCTORAL DISSERTATION COMMITTEE MEMBERSHIP

- 2011-2013 Katherine Dahm, PhD student, Counseling psychology doctoral training program, University of Texas at Austin; Kristen Neff, PhD, committee chair. Study used a dataset collected as part of Dr. Meyer's VA-funded research
Project title: Mindfulness and self-compassion as predictors of psychopathology and functional outcomes in trauma-exposed Iraq and Afghanistan war veterans
- 2018-2019 Alexis Blessing, PhD student, Psychology doctoral training program, University of Texas at San Antonio.
Project title: Combating publish stigma of veterans with posttraumatic stress disorder: Cultivating self-compassion

RESEARCH MENTORING

Years	Role	Training Program/Project	Trainee
2011-2012	Primary Research Mentor	Multidisciplinary Psychosocial Rehabilitation Fellowship, Central Texas Veterans Healthcare System	Neila Sackett, Ph.D., Andrew Subica, Ph.D., Seth Horton, LCSW, Ph.D. (postdoctoral fellows)
2012-2014	Primary Mentor	VA VISN 17 New Investigator Award (*funded)	Brian Konecky, Ph.D (postdoctoral fellow)
2013-2014	Primary Research Mentor	Predocloral Clinical Psychology Internship, Central Texas Veterans Healthcare System	Regina Hiraoka, Ph.D. (intern)
2014-2016	Co-Mentor	VA RR&D Career Development Award-2 proposal	Bryann DeBeer, Ph.D. (junior faculty)
2016-2017	Co-Mentor	VA RR&D Career Development Award-1 proposal	Heidi La Bash, Ph.D. (postdoctoral fellow)
2016-Present	Co-Mentor	VA CSR&D Career Development Award-2 proposal (*funded)	Evan Gordon, Ph.D. (junior faculty)
2017-2019	Co-Mentor	VA RR&D Career Development Award-1 proposal (*funded)	Sheila Frankfurt, Ph.D. (postdoctoral fellow)
2018-Present	Co-Primary Mentor	VA RR&D Career Development Award-1 proposal (*funded)	Yvette Szabo, Ph.D. (junior faculty)
2018-Present	Co-Primary Mentor	American Psychological Foundation Early Career Award	Elizabeth Coe, Psy.D. (postdoctoral fellow)
2018-Present	Primary Mentor	VA Office of Academic Affiliations (OAA) Postdoctoral Fellow in Mental Health Research; VA RR&D SPiRE Award (pending)	A. Solomon Kurz, Ph.D. (postdoctoral fellow)

2019-Present	Primary Mentor	VA RR&D Career Development Award-2 proposal (pending)	Sheila Frankfurt, Ph.D. (junior faculty)
2019-Present	Co-Mentor	VA RR&D Career Development Award-2 (CDA-2) (pending)	Muhammad R. Baig, MD (mid-career faculty)

CLINICAL SUPERVISION

Years	Program/Clinic	Areas of Supervision	Trainees
2004-2005	Supervised supervision of practicum trainees from University of Massachusetts-Boston and Leslie University	Structured assessment of depression and anxiety, group psychotherapy for people living with severe mental illness	Multiple students from each program
2005-2007	Supervised supervision of practicum trainees from Boston University and Northeastern University	Structured assessment of first episode psychosis, CBT, motivational enhancement, mindfulness training	Jude Leung, Ph.D., Jeff Drayer, Ph.D.
2009-Present	VA VISN 17 Center of Excellence for Research on Returning War Veterans	Structured clinical interviews (CAPS, SCID, MINI, Columbia Suicide Scale, Timeline Followback, Clinician Administered Non-Suicidal Self Injury Disorder Index, neuropsychological screening	Approximately 25 doctoral, masters, and bachelors-level research staff conducting over 2,100 in-person clinical assessments for federally-funded studies
2010-2012	Baylor University clinical psychology doctoral practicum training program, VA Research Center of Excellence	Structured assessment of PTSD, depression, anxiety, substance use disorders, TBI, and suicide risk for VA-funded research	Samantha Collum, Psy.D., Derek Ramsey, MA
2012-2014	VA Office of Academic Affiliations Postdoctoral Fellowship, VA Research Center of Excellence	Cognitive Processing Therapy (CPT) and Acceptance and Commitment Therapy (ACT)	Brian Konecky, Ph.D.
2014-2016	VA Office of Academic Affiliations Postdoctoral Fellowship, VA Research Center of Excellence	ACT for co-occurring PTSD and alcohol use disorders VA funded clinical trial (Meyer, PI)	Heidi La Bash, Ph.D. David Scheinfeld, Ph.D.
2017-Present	Baylor University clinical psychology doctoral training program, Baylor Scott & White Health	Unified Protocol for Transdiagnostic Treatment of Emotional Disorders, Cognitive Processing Therapy, ACT	Hillary Warrington, MA, Lindsay Lange, MA, Jane Zimmerman, MA, Alex Meyers, BA
2018-2019	Tarleton State University Masters in Social Work, Baylor Scott & White Health	Unified Protocol, Cognitive Processing Therapy, ACT	DeAngela Bynum, BA
2018-Present	Baylor Scott & White Health Postdoc Fellowship Program	Unified Protocol, Cognitive Processing Therapy, ACT	Elizabeth Coe, Psy.D. Hyeji Na, Psy.D.

2018- Present	VA Office of Academic Affiliations Postdoctoral Fellowship, VA Research Center of Excellence	ACT to improve functioning in war veterans (ACT-FX); VA RRD-funded clinical trial (Meyer, PI)	A. Solomon Kurz, Ph.D., Adam McGuire, Psy.D., Austen Anderson, Ph.D.
2019- Present	Texas A&M counseling psychology doctoral program, Baylor Scott & White Health	Unified Protocol, Cognitive Processing Therapy, ACT	Brandon Smith, MA Mariah Stickley, MA

STUDENTS RECOMMENDED/ASSISTED in GAINING ADMISSION to GRADUATE PROGRAMS

2020	Jessica Dupree, Doctoral Program in Clinical Psychology, Purdue University
2019	Jeffrey Rossiter, Medical school applications pending
2018	Fatima Dobani, Doctoral Program in Clinical Psychology, Syracuse University
2017	Zachary Harned, Stanford University Law School
2017	Jeffrey Rossiter, Masters degree in medical sciences
2017	Zachary Stickley, Doctoral Program in Educational Psychology, Texas Tech University
2016	Jace Pierce, Masters of Public Health, Baylor University
2014	Zachary Harned, Masters Program in Philosophy, Tufts University
2012	Yolanda Evans, Doctoral Program in Psychology, Texas Women's University
2012	Christina Fay, Doctoral Program in Clinical Psychology, Spaulding University

RESEARCH

CURRENT RESEARCH SUPPORT

Role: Principal Investigator

Title: The impact of modifiable psychosocial factors on Veterans' long-term trajectories of functioning and quality of life: Promoting recovery by targeting mindfulness and psychological flexibility

Goals: 1) Identify novel modifiable psychosocial factors that influence trajectories of long-term functional impairment, transitions across functional trajectories, and suicide risk; 2) adapt and pilot test a mindfulness-based, transdiagnostic behavioral intervention to improve functioning in war veterans.

Funding Agency: VA MERIT (RR&D 3 I01 RX000304-08A1)

Funding Period: 10/1/18-9/30/22

Total Direct Costs: \$1,075,446

Role: Executive Director

Title: Statewide Evidence-Based Telehealth Treatment

Goals: Harnessing the power of telehealth to deliver a menu of culturally competence, evidence-based mental health treatments to veterans and their beneficiaries.

Funding Agency: Texas Veterans Commission Fund for Veterans' Assistance (TVC GT-VMH19-026)

Funding Period: 7/1/19-6/30/20

Total Direct Costs: \$500,000

Role: Co-Principal Investigator (Co-PI: Peterson)

Title: Enhancing Resiliency and Optimizing Readiness in Military Special Forces Trainees

Goals: Develop and conduct an RCT to test the efficacy of a brief psychological health intervention to enhance resiliency, optimize readiness, and increase graduation rates in USAF Special Forces trainees

Funding Agency: Department of Defense Congressionally Directed Medical Research Programs (CDMRP) Resilience and Readiness Optimization/Enhancement Translational Research Award (R2OE-TRA) W81XWH-18-PHTBIRP-R2OE-TRA

Funding Period: 9/30/19-9/30/22

Total Direct Costs: \$1,672,482

Role: Executive Director

Title: Expanding Statewide Evidence-Based Telehealth Treatment

Goals: Expand successful program harnessing the power of telehealth to deliver a menu of culturally competence, evidence-based mental health treatments to veterans and their beneficiaries.

Funding Agency: Texas Veterans Commission Fund for Veterans' Assistance GT-VMH20-004

Funding Period: 7/1/20-6/30/21

Total Direct Costs: \$400,000

Role: Consultant (PI: Kimbrel)

Title: Preventing suicide through implementation of safety planning intervention training for peer support specialists

Goals: Enhance suicide prevention efforts in fire service by training peers in safety planning

Funding Agency: Federal Emergency Management Agency (FEMA) EMW-2017-FP-00385

Funding Period: 1/1/19-12/31/20

Total Direct Costs: \$1.4 million

Role: Co-Investigator (PIs: Galovski, Kehle-Forbes)

Title: Personalizing Cognitive Processing Therapy with a Case Formulation Approach to Intentionally Target Impairment in Psychosocial Functioning Associated with PTSD

Goals: Improve PTSD treatment engagement and efficacy by tailoring an evidence-based treatment protocol to better address factors that interfere with treatment

Funding Agency: VA RRD Merit I01 RX003369-01A1

Funding Period: 10/1/20-9/30/24

Total Direct Costs: \$1.1 million

Role: Co-Investigator (PI: Gulliver)

Title: Expanding Peer Support and Telehealth for Central Texas Veterans and Their Family Members

Goals: Expand our pilot projects to provide peer support, parent training, and evidence-based mental health services for underserved military veterans and their families

Funding Agency: Texas Health and Human Services Commission Texas Veterans + Family Alliance

Funding Period: 1/2020-12/2022

Total Direct Costs: \$700,000

Role: Co-Mentor (PI: Gordon)

Title: Examining the Function of Cortical Hubs in Veterans with Traumatic Brain Injury

Goals: Test whether TBI is associated with impaired communication between functional brain network and whether such disruptions are associated with cognitive and behavioral symptoms

Funding Agency: VA Clinical Science Research and Development CDA-2 1IK2CX001680
Funding Period: 10/1/2018-9/30/2023
Total Direct Costs: \$1,019,753

Role: Co-Investigator (PI: McGuire)
Title: Using Moral Elevation to Improve Functioning in Veterans with PTSD and Moral Injury: A Pilot Study of a Web-Based Intervention
Goal: Pilot a web-based moral elevation intervention
Funding Agency: VA RR&D SPiRE 1 I21 RX003035-01A1
Total Direct Costs: \$200,000
Funding Period: 10/2019-9/2021

Role: Co-Primary Mentor (PI: Szabo)
Title: Psychological Trauma, Head Injury and Genetics: Detecting Changes in Cognition and Functioning in a Longitudinal Study of Veterans
Goals: 1) Quantify the impact of types and amount of trauma exposure on memory and executive functioning over time; 2) examine the direct effects of BDNF and ApoE on cognition and determine whether genetic variation moderates associations between trauma and cognition over time
Funding Agency: VA RR&D Career Development Award-1 1IK1RX003122-01A1
Funding Period: 10/2019-9/2021
Total Direct Costs: \$241,198

Role: Co-Investigator (PI: Kimbrel)
Title: Nonsuicidal Self-Injury in Veterans with PTSD
Goals: The purpose of this project is to examine the long-term impact of NSSI on Veterans' functioning and the antecedents and consequences that maintain this destructive behavior in Veterans.
Funding Agency: VA Merit (CSR&D) 1I01CX001486
Funding Period: 2017-2020
Total Direct Costs: \$990,000

COMPLETED RESEARCH SUPPORT

Role: Principal Investigator
Title: Predicting Classes of Functional Trajectories: Malleable Risk Factors
Goal: Identify modifiable psychosocial factors that influence trajectories of long-term functional impairment and transitions across functional trajectories in OEF/OIF veterans to inform prevention and rehabilitation efforts.
Funding Agency: VA MERIT (RR&D 2 I01 RX000304-04A1)
Funding Period: 7/1/14-6/30/18
Total Direct Costs: \$1,088,589

Role: Co-Investigator (PI: Gulliver)
Title: Building an Evidence-Based Telehealth Delivery System for Texas Firefighters
Goals: Build and test a system for providing evidence-based psychotherapy via telehealth to professional firefighters in Texas.
Funding Agency: Federal Emergency Management Agency (FEMA) EMW-2016-FP-00371

Funding Period: 1/1/18-12/31/19
Total Direct Costs: \$1.5 million

Role: Co-Mentor (PI: Frankfurt)
Title: Measuring Moral Injury Events in Veterans and Soldiers
Goals: 1) Assess the occurrence of moral injury events in two samples; 2) Evaluate psychometrics of two moral injury measures; 3) Make recommendations to refine the assessment of moral injury
Funding Agency: VA Career Development Award-1 (RR&D) RX002427-01A2
Funding Period: 4/1/2018-3/31/2020
Total Direct Costs: \$232,963

Role: Co-Investigator (PI: Gulliver)
Title: Building Peer Support and Telehealth for Central Texas Veterans
Goals: Build and test a community collaborative to provide peer support and evidence-based mental health services for underserved military veterans
Funding Agency: Texas Health and Human Services Commission Texas Veterans + Family Alliance
Funding Period: 6/2017-5/2018
Total Direct Costs: \$696,693

Role: Principal Investigator
Title: Acceptance and Commitment Therapy for Co-occurring PTSD and Alcohol Use Disorders in Veterans
Goal: Pilot study of Acceptance and Commitment Therapy (ACT) for Veterans with PTSD-AUD
Funding Agency: VISN 17 Center of Excellence for Research on Returning War Veterans
Funding Period: 2014-2016 (no cost extension)
Total Direct Costs: \$50,000

Role: Site Co-Investigator (Co-PIs: Foa & Peterson)
Title: Project Remission: Maximizing Outcomes with Intensive Outpatient Treatments for PTSD
Goals: Conduct an RCT to evaluate the efficacy of a Massed Prolonged Exposure IOP in treating combat-related PTSD and commonly occurring conditions in post-9-11 veterans and service members
Funding Agency: Consortium to Alleviate PTSD (CAP; Joint Department of Defense and VA)
Funding Period: 9/2016-3/2019
Total Direct Costs: \$2.5 million

Role: Co-Investigator (clinical sub-study) (PI: Young)
Title: The Root Cause of Posttraumatic Stress Disorder
Goals (clinical sub-study): Identify pre-deployment genetic, functional neuroanatomical, neuropsychological, and psychosocial predictors of PTSD in Army personnel deployed to warzones.
Funding Agency: Department of Defense, Army Medical Research and Materiel Command
Funding Period: 9/11-9/16
Total Direct Costs: \$1,938,148

Role: Consultant (PI: Salas-Wright)
Title: Substance use prevention for student veterans experiencing psychological distress

Goal: Adapt and pilot test an evidence-based substance use prevention program (Keepin' in REAL) with student veterans.

Funding Agency: Hogg Foundation (University of Texas at Austin) Mental Health Research Grants for Assistant Professors in Texas

Funding Period: 2014-2016

Total Direct Costs: \$19,250

Role: Co-Investigator (PI: De Beer)

Title: A test of the interpersonal-psychological model of suicide in Veterans with PTSD: The influence of social cognition

Goals: Test an influential model of suicidality in Veterans with PTSD. Examine social cognition, which may underlie interpersonal difficulties, as a novel predictor of suicidality.

Funding Agency: VA VISN 17 New Investigator Award

Funding Period: 2013-2015

Total Direct Costs: \$90,000

Role: Primary Mentor (PI: Konecky)

Title: Cognitive training to reduce impulsive discounting in VA substance use disorder treatment

Funding Agency: VA VISN 17 New Investigator Award

Funding Period: 2013-2015

Total Direct Costs: \$90,000

Note: Grant was selected for funding. Then, program was de-funded and the grant was not awarded.

Role: Local Site Investigator (Co-PIs: Siever, Harvey)

Title: The Genetics of Functional Disability in Schizophrenia and Bipolar Illness

Goal: Determine genetic risk factors underlying phenotypes reflecting functional disability, cognitive impairment, suicidality, and PTSD in Veterans with schizophrenia and bipolar illness.

Funding Agency: VA Cooperative Studies Program (CSR&D) CSP 572

Funding Period: 5/10-7/14

Total Direct Costs: \$105,928 annually

Role: Clinical Site Principal Investigator (Co-PIs: Schnurr, Hermann)

Title: Acceptance and Commitment Therapy for Co-occurring PTSD and Substance Use Disorders in Veterans

Goals: Develop and pilot test a treatment manual adapting ACT for veterans with PTSD and SUD.

Funding Agency: Internally funded by National Center for PTSD-Executive Division and VISN 17 Center of Excellence for Research on Returning War Veterans

Funding Period: 2010-2012

Total Direct costs: \$68,000

Role: Principal Investigator

Title: Experiential Avoidance, Neurocognition, and Functional Outcomes in PTSD

Goals: Examine the influence of experiential avoidance (EA) on mental health and functional outcomes in trauma-exposed war Veterans over time. Examine aspects of neurocognition that may underlie EA.

Funding Agency: VA VISN 17 New Investigator Award

Funding Period: 2009-2011

Total Direct Costs: \$90,000

Role: Co-Investigator (PI: Morissette)

Title: Functional Outcomes in OEF/OIF Veterans with PTSD and Alcohol Misuse

Goal: Increase understanding of the functioning of OEF/OIF Veterans over time by identifying potentially modifiable risk and resilience factors.

Funding Agency: Department of Veterans Affairs (RR&D 1 I01 RX000304-01A1)

Funding Period: 2010-2013

Total Direct Costs: \$821,397

Role: Data analytic consultant, collaborator (Seidman, Site PI)

Title: North American Prodromal Longitudinal Studies (NAPLS-1)

Goals: Identify clinical, genetic, functional neuroanatomical, neurohormonal, neurophysiological, and neuropsychological predictors of conversion to psychosis in people at clinical high risk (i.e., prodromal).

Funding Agency: NIMH 1 U01 MH081928-01A1

Funding Period: 2008-2013

Total Direct Costs: \$2,873,290

Role: Co-Investigator (PI: Kimbrel)

Title: Genetic and Environmental Effects on PTSD, Depression, and Alcohol Misuse

Goals: Pilot study examining effects of 5HTTLPR & DRD2 variation and trauma exposure on PTSD, depression, and alcohol misuse. Explore G X E interactions on negative mental health outcomes.

Funding Agency: VA VISN 17 New Investigator Award

Funding Period: 2010-2012

Total Direct Costs: \$90,000

Role: Fellow

Title: NIH Office of Behavioral and Social Sciences Research Institute on Randomized Clinical Trials Involving Behavioral Interventions

Goals: Two-week funded research training institute

Funding Agency: NIH

Funding Period: July 2011

Role: Co-Investigator (PI: Morissette)

Title: Project SERVE: Study Evaluating Returning Veterans' Experiences

Goals: Identify psychosocial predictors of mental health problems over time, particularly PTSD, major depression and substance use disorders, in Iraq and Afghanistan war Veterans.

Funding Agency: Internally funded by VA VISN 17 Center of Excellence for Research on Returning War Veterans

Funding Period: 2009-2010

Role: Collaborator/Clinical Interviewer (PI: Gulliver)

Title: Pathways of Risk and Resilience in Firefighter Recruits

Goals: Identify psychosocial predictors of risk and resilience for mental health problems over time, particularly PTSD and substance use disorders, among professional firefighter recruits.

Funding Agency: NIMH 1R01MH073808

Funding Period: 2009-2011

Role: Site Neuropsychological Testing Supervisor, collaborator (PI: Marder, Site PI: Seidman)

Title: Treatment Units for Research on Neurocognition in Schizophrenia (TURNs)

Goal: Multi-site trial to evaluate pharmacological intervention for cognitive impairment in schizophrenia.

Funding Agency: NIMH (HHSN278200441003C)

Funding Period: 2004-2008

INVITED TALKS (NATIONAL and INTERNATIONAL)

1. Meyer, E.C. (2019, February). Improving long-term trajectories of post-deployment psychosocial functioning in post-9/11 war veterans. Presented to the Pittsburgh VA Medical Center's Mental Illness Research Education and Clinical Center, Pittsburgh, PA.
2. Meyer, E.C. (2018, November). Elucidating transdiagnostic mechanisms for improving long-term functional recovery: Merging observational and interventional research. Presented to the University of Pittsburgh, School of Health and Rehabilitation Sciences. Pittsburgh, PA
3. Meyer, E.C., DeBeer, B.B., Corcoran, L., Kimbrel, N.A., & Morissette, S.B. (2018, August). Self-compassion as a predictor of PTSD symptoms, functional disability, and suicide risk in veterans. In Meyer, E.C. (Chair), Propelling diverse trauma research forward – Illuminating mediators and moderators of poor outcomes. Symposium invited for presentation by APA Division 56 (Trauma Psychology) at the Annual Convention of the American Psychological Association, San Francisco, CA.
4. Meyer, E.C. (2018, August). Discussant on symposium titled: Achieving Optimal Quality of Life in Veterans with Posttraumatic Stress Disorder and/or Traumatic Brain Injury: The Role of Health Promotion. D. Castillo (Chair). Presented at the Annual Convention of the American Psychological Association, San Francisco, CA.
5. Meyer, E.C. (2018, March). Defining the boundaries of moral injury: Exploring the role of military sexual trauma within a moral injury framework. Speaker at workshop titled: Understanding the Origins of Combat Stress and Moral Injury through Cross-cultural Research hosted by the Center for Evolution and Medicine at Arizona State University, Tempe, AZ.
6. Meyer, E.C. (2017, November). Discussant on symposium titled: Complexity in assessment: Objectivity in novel development and validation of measures in PTSD populations. B. DeBeer, (Chair). Presented at the 33rd annual meeting of the International Society for Traumatic Stress Studies, Chicago, IL.
7. Meyer, E.C. (2017, October). Self-compassion: Relations with mental health symptoms, functional outcomes, and suicide risk in war veterans. Presented as part of panel presentation to the Air Education and Training Command Senior Leadership Conference, Randolph Air Force Base, San Antonio, TX.
8. Meyer, E.C. (2017, June). Acceptance and Commitment Therapy for co-occurring posttraumatic stress disorder and alcohol use disorders in U.S. military veterans: Preliminary treatment outcomes. Presented at the 15th annual world conference of the Association for Contextual Behavioral Science, Seville, Spain.
9. Meyer, E.C. (2017, June). Putting values into action: Examining the connection between values and behavioral assignments from a study of Acceptance and Commitment Therapy for co-

- occurring posttraumatic stress disorder and alcohol use disorders. Presented at the 15th annual world conference of the Association for Contextual Behavioral Science, Seville, Spain.
10. Meyer, E.C. (2016, September). The impact of modifiable psychosocial factors on veterans post-deployment adjustment: Research findings and translation into clinical practice. Presented at the Fourth Annual Military Social Work Conference, University of Texas at Austin.
 11. Meyer, E.C. (2014, October). Participant in workgroup to interpret findings from multi-site Randomized Clinical Trial comparing Acceptance and Commitment Therapy (ACT) to Present Centered Therapy in active duty military personnel and Veterans (Lang, PI). University of California-San Diego, San Diego, CA.
 12. Meyer, E.C. (2014, January). Acceptance and Commitment Therapy (ACT) for co-occurring PTSD and substance use disorders in Veterans. Webinar presented to VA staff nationally as part of ACT Mini Lecture Series sponsored by VA/National Center for PTSD.
 13. Meyer, E.C. (2013, April). The influence of co-occurring traumatic brain injury, chronic pain, alcohol abuse, and depression on functional impairment in Veterans with PTSD. Presented at invited symposium titled “The influence of PTSD and complicating factors on functional recovery in returning military Veterans” (Chair: S.B. Morissette), 33rd annual meeting of the Anxiety and Depression Association of America, San Diego, CA.
 14. Meyer, E.C. (2012, May). Conceptualization and treatment of PTSD and co-occurring mental health problems in war Veterans. Invited workshop at the Institute for Defense and Government Advancement Military Healthcare Convention and Conference, San Antonio, TX.
 15. Meyer, E.C. (2011, March). Experiential avoidance as a predictor of PTSD among Operation Enduring Freedom and Operation Iraqi Freedom (OEF/OIF) Veterans. Presented at invited symposium titled “The psychological hazards of high-risk occupations: Which soldiers and firefighters are at risk for PTSD and its associated problems?” (Chair: S.B. Morissette), 31st annual meeting of the Anxiety Disorders Association of America, New Orleans, LA.
 16. Meyer, E.C. (2010, July). Risk and resilience following exposure to traumatic stress. Colloquium presented at the University of Georgia, Department of Psychology, Athens, GA.
 17. Meyer, E.C. (2005, April). Neurocognitive, neuromotor, and neurosensory underpinnings of social and affective impairment in individuals at-risk for schizophrenia. Colloquium presented to the Neuropsychology Research Group, Massachusetts Mental Health Center, Academic Division of Public Psychiatry, Harvard Medical School Department of Psychiatry, Beth Israel Deaconess Medical Center. Boston, MA
 18. Meyer, E.C. (2005, March). Affective impairment in schizotypy. Harvard University, Department of Psychology Social and Affective Neuroscience Colloquia. Cambridge, MA.

INVITED TALKS (REGIONAL)

19. Meyer, E.C. (2019, January). Elucidating transdiagnostic mechanisms for improving long-term psychosocial functioning in war veterans: Merging observational and interventional research. Presented at the PTSD Research Symposium at Texas A&M University College of Medicine Department of Psychiatry (Israel Liberzon, MD, Symposium Chair). College Station, TX.
20. Meyer, E.C. (2018, November). Improving long-term trajectories of post-deployment psychosocial functioning in war veterans. Colloquium presented to the Department of Psychology and Neuroscience, Baylor University, Waco, TX.
21. Meyer, E.C. (2018, June). Acceptance and Commitment Therapy for posttraumatic stress. Community Veterans Mental Health Summit, Waco, TX.

22. Meyer, E.C. (2018, April). Self-compassion as a protective factor against PTSD and other negative outcomes in Veterans. Texas Health and Human Services Commission Veterans Initiatives Leadership Meeting. Austin, TX.
23. Meyer, E.C. (2017, January). Acceptance and Commitment Therapy for co-occurring PTSD and alcohol use disorders: Treatment development and preliminary outcomes. Baylor Scott & White Psychiatry Grand Rounds, Temple, TX and broadcast to satellite campuses across Central Texas.
24. Meyer, E.C. (2016, February). Clinical assessment and treatment research on posttraumatic stress, alcohol use problems, and disability in war veterans. Presented at the Texas Veterans Commission Symposium “Where research meets the road: Using science to support veterans on their journey to health and resilience”. Austin, TX.
25. Meyer, E.C. (2016, February). Engaging in clinical research to better understand and treat war veterans with mental health challenges. Baylor University, Department of Psychology and Neuroscience, Waco, TX.
26. Meyer, E. C. (2015, May). Mental health assessment and treatment research at the VISN 17 Center of Excellence for Research on Returning War Veterans. Presentation as part of VA Research Day, Central Texas Veterans Healthcare System, Temple, TX.
27. Morissette, S. B. & Meyer, E. C. (2015, February). Research informing clinical care for PTSD from the VISN 17 Center of Excellence for Research on Returning War Veterans. Presentation at the VISN 17 PTSD Mentor Retreat, Austin, TX.
28. Meyer, E.C. (2013, November). The influence of mental and physical injuries on educational functioning in student veterans. Presented at 2nd annual Higher Education Student Veteran Symposium at The University of Texas at Austin.
29. Meyer, E.C. (2012, October). Genetic and psychosocial predictors of posttraumatic stress disorder, functional impairment, and suicidal ideation in war Veterans. Grand Rounds presented to the Department of Psychiatry, University of Texas Health Science Center at San Antonio. Simultaneously broadcast to the University of Texas at San Antonio Psychology Department, San Antonio VA, Brooke Army Medical Center, Wilford Hall Air Force Medical Center, Brooks Air Force Base School of Aerospace Medicine, San Antonio State Hospital, and Harlingen, TX Regional Academic Health Center.
30. Meyer, E.C. (2011, April). Conceptualization and treatment of PTSD and co-occurring depressive, anxiety, and substance use disorders. Invited presentation to the annual conference of the U.S. Department of Defense Southern Regional Medical Command, San Antonio, TX.

CHAired SCIENTIFIC SYMPOSIA

1. Meyer, E.C., chair. (2018, August). Propelling diverse trauma research forward – Illuminating mediators and moderators of poor outcomes. Symposium invited by APA Division 56 (Trauma Psychology) and presented at the Annual Convention of the American Psychological Association, San Francisco, CA.
2. Meyer, E.C. & Elliott, T.E., co-chairs. (2017, February). Functional disability and suicidality in polytrauma exposed male and female veterans: Predictors and evidence-based intervention. Symposium presented at the 19th annual Rehabilitation Psychology Conference, Albuquerque, NM.
3. Meyer, E.C., chair (2013, November). Acceptance and Commitment Therapy (ACT) for PTSD: Treatment development and preliminary outcomes. Symposium presented at the 29th annual meeting of the International Society for Traumatic Stress Studies, Philadelphia, PA.
