

SHRS Fall Open House

10.22.20 | 6 - 9 p.m.

Registered guests will receive the event passcode and meeting links via email on October 22. Meeting links will also be posted at shrs.pitt.edu/OpenHouse the day of the event.

I want to... **Speak with Faculty**

Join the program breakout room! Program hosts will be offering brief presentations on the hour (6, 7 and 8 p.m.) to highlight program changes, unique opportunities and why our faculty are so passionate about their fields and educating the next generation of professionals! The remainder of the hour will be available for Q&A or discussion. Program meeting links are available on the next page.

I want to... **Speak with Students**

Meet students from every discipline in the Student Panel! They will be happy to answer your questions about their program, how they chose their discipline and why Pitt is the right fit for them. Don't forget to ask your questions about University resources and the city of Pittsburgh, too. The meeting moderators will assign you to breakout rooms to meet with students in a specific program.

I want to... **Learn about Financial Aid or the Admissions Process**

Do you have general application questions? Curious about the financial aid process at Pitt? Chat with SHRS Admissions reps Jessica Maguire and Joni Keating or University Financial Aid counselor Tom Damski.

I want to... **Learn about the SHRS Wellness Pavilion**

Discover how students lead through the SHRS Wellness Pavilion, connected to the University's Homewood Community Engagement Center! Join a brief presentation on the half-hour (6:30, 7:30 and 8:30 p.m.) to learn how to engage with the community through our programs.

I want to... **Tour the University**

Did you know that there are many opportunities to visit Pitt virtually? Explore SHRS facilities through our 360-tours at shrs.pitt.edu/virtual-tours. Choose between a virtual tour, photo tour and live webcams when exploring our campus at tour.pitt.edu. Specialty tours of the Cathedral of Learning, research labs, residence halls and sustainable spaces are also available.

Reminders:

- Download the [Zoom app](#) ahead of time if you plan to use a mobile device or tablet.
- Use a [custom Zoom background](#) to truly picture yourself at Pitt.
- Tag [@SHRSPitt](#) in your Open House Instagram posts for extra chances to win a swag bag.
- Check out our [Best Practices](#) to make the most of your virtual visit.

Hail to Pitt!
