

OTHER HHS DIVISIONS

HEALTH RESOURCES AND SERVICES ADMINISTRATION (HRSA)

The primary federal agency for improving health care to people who are geographically isolated, economically or medically vulnerable.

Programs help those in need of high quality primary health care, people living with HIV/AIDS, pregnant women, and mothers.

Supports the training of health professionals, the distribution of providers to areas where they are needed most and improvements in health care delivery.

Visit [HRSA.GOV](https://www.hrsa.gov) for more information.

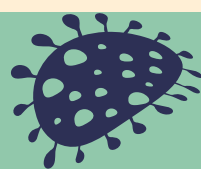

CENTERS FOR MEDICARE AND MEDICAID SERVICES (CMS)

“The Centers for Medicare & Medicaid Services combines the oversight of the Medicare program, the federal portion of the Medicaid program and State Children's Health Insurance Program, the Health Insurance Marketplace, and related quality assurance activities.”

Visit [CMS.GOV](https://www.cms.gov) for more information.

CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC)

-Works 24/7 to protect America from health, safety and security threats

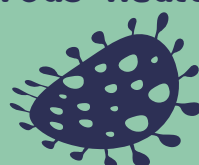

-Helps fight disease and supports communities and citizens to do the same.

-Increases the health security of our nation.

-As the nation's health protection agency, CDC saves lives and protects people from health threats.

-To accomplish their mission, CDC conducts critical science and provides health information that protects our nation against expensive and dangerous health threats, and responds when these arise.

-For more information, visit [CDC.GOV](https://www.cdc.gov)
