<b>ESTIMATED TOTAL COST OF PROGRAM</b>						<b>\$89,038</b>

**Important Notes**

Important Notes Eligibility for Pennsylvania tuition (in-state rates) is governed by the University's Policy on PA Residency Classification. Please see <https://payments.pitt.edu/pa-tuition-rate-eligibility/> for more information. The University's Student Payment Center will generate a bill for "Tuition and Fees." Bills are generated for each term (Fall, Spring, and Summer). Additional information can be found at <https://payments.pitt.edu/>. Tuition and fees found here are estimated in projecting future tuition and fees. The University publishes graduate tuition and mandatory fees at <https://www.ir.pitt.edu/tuition-rates-and-fees/graduate-tuition-and-mandatory-fees>. Additional fees and incidental costs are estimated and will vary per student. They are paid directly by the student to other parties other than the University of Pittsburgh and may not occur during the term specified above. Costs above do not include health insurance costs, which students are required to maintain throughout the program, as well as housing and meals. Financial aid may be available for tuition, fees, and incidental costs. See <https://financialaid.pitt.edu/> for more information.

Exact tuition is usually finalized in July and published at <https://www.ir.pitt.edu/tuition-rates-and-fees>

2022-2023 out-of-state full time tuition = \$34,950 for fall plus spring

2022-2023 per credit for out-of-state = \$1,426/credit for those less than full time

\*Cost will vary by clinical site's requirements

\*\*Cost will vary based on insurance coverage and prices for titers/immunizations/TB tests
